

Cutting emissions **transforming jobs**

Working in green jobs for a secure future

INDUSTRIAL TRADE UNION FEDERATIONS,
REPRESENTING WORKERS IN THE METAL, CHEMICAL, ENERGY
AND MINING SECTORS IN EUROPE AND GLOBALLY
INVITE YOU TO:

Cutting emissions, transforming industrial jobs

14H00-15H30 • 16 December 2009

World of Work Pavilion
LO Denmark Building
Islands Brygge 32 D
2300 København S
Denmark

THE DISCUSSION WILL FOCUS ON TWO THEMES:

- A Common Industrial Workers' Platform on Climate Change
- Industrial workers: an essential voice in promoting a low carbon economy regionally and globally

SPEAKERS DURING THE DEBATE INCLUDE:

- Poul Nyrup Rasmussen (former-Danish PM and President of the Party of European Socialists)
- Representatives of the South African government delegation to COP 15
